

**PURCHASER UPDATE 19<sup>th</sup> April, 2018**

Dear Purchaser,

Please find below update on current works onsite since our last developer update.

***Work in Progress***

Level 2 defect inspection commenced

Level 3 patching and final paint

Level 4 flooring 70% complete

Level 5 joinery installation ongoing

Level 6 plaster patching and sanding ongoing

Level 7 sealer paint coat ongoing

***Works Scheduled for April 2018***

Ongoing Completion of apartments and defect ratification

Ongoing external cladding and balustrades

Commence landscape & external works

It is expected that construction completion will occur in late May/early June 2018 and settlements will likely be occurring in late June.

Further settlement information and keys dates will be communicated via our Settlement Team in the very near future, to ensure you are informed and ready for settlement.

We look forward to sharing with you our next construction progress update, in the meantime please see overleaf recent photos taken from a completed 1 bedroom apartment on level 1.

Yours Sincerely,

**The Village Development Team**
